

MARK HAMILTON, SENIOR ARCHITECT JOINS KMBR ARCHITECTS PLANNERS INC.

VANCOUVER, July 18, 2011 - KMBR Architects Planners Inc. is pleased to announce the addition of Mark Hamilton, MAIBC, AAA, AIA, MRAIC, LEED® AP, NCARB, to our team.

Mark's deep experience with complex, multi-phase projects for post secondary, institutional and health care clients including UBC, Kwantlen and VGH brings even greater depth to KMBR's post secondary and health care teams.

Mark has been a member of the AIBC and Royal Architectural Institute of Canada since 1992 and a LEED ® AP since 2004. Mark has a keen interest in sustainable design and construction practices, as well as innovative design solutions, systems materials and details.

KMBR. Community Architecture. Global Vision.

Founded in 1958, KMBR Architects Planners Inc. has a tradition of providing clients with exemplary service and distinctive works. Our practice is centered on simple principles: people first, excellence, innovation, leadership and responsibility. Our success is accomplished through our emphasis on gaining a thorough understanding of our clients' program, budget, schedule, site, and vision for the project. KMBR is a firm of 32; large enough to undertake significant projects, but small enough to deliver personal attention.

Our portfolio includes more than 19 LEED® and equivalent projects. More than two thirds of our staff is either LEED® accredited or pursuing accreditation.
